Benefits of Internship with the USACE?

- Relevant and meaningful experience
- Name recognition of US Army Corps of Engineers on the resume
- Change of pace from ordinary summer job
- Sense of responsibility
- Chance to work outside
- Opportunity to work under a professional who can teach knowledge and skills for the future
- Excellent opportunities for training
- Working with people who share a passion for the environment

"My supervisors have given me every opportunity possible to train in GIS and be the most knowledgeable employee I can be."
Allison Ross, Nashville District Office

"The Army Corps of Engineers allowed me to not only gain experience, but to also add that I worked for a federal agency, which both look good on my resume."
- Chris Wood, Ice Harbor Lock and Dam
